STATE COMMANDER TO ADDRESS LOCAL LEGION AT NOVEMBER 3 MEET

Sam W. Wagoner III, State Commander of the American Legion, is scheduled to speak to the Clement R. Bontemps Post 139 at its next meeting.

Wagoner, 30, was elected to the State post July 8 at the 35th Annual Convention held at Biloxi. He is a member of the 40 at 8, and has served on several State and National Committees. He is a veteran of WW II, having served 5 years with the Navy in the European Theatre of Operation.

Wagoner is coming to Bay St. Louis personally to find out how such a small post is able to engage in so many projects of real community service. The enlistment of over 50 brand-new members into the local post in the present drive has amazed him. Wagoner will make a thorough study of the methods employed by local Legionnaires.

Local Legionnaires feel that when a report by Com. Wagoner is made to the State Executive Board that all eyes will be focused on Bay St. Louis. A new State pattern may be developed from the fair grounds.

Local Legionnaires know why they are growing so amazingly fast and why they now enjoy more prestige in the community than ever before. Local Legionnaires will continue to promote and work on projects of more and more community service. It has paid off to the Legion and it has paid off to the Community.

The Meeting will start promptly at 8 p. m. on Nov. 3 at the Legion Home. Refreshments will be served after the meeting.

The Christ Church Parish School PTA had its second meeting of the year on Tuesday afternoon Oct. 27 at the school. Mrs. Vollrath, president, urged all members to attend the District XIV meeting of the Mississippi Congress of Parents and Teachers, which will be held Friday, Oct. 30 at the Bay-Waveland Yacht Club from 9:30 to 2:15. Christ Church Parish PTA and Bay Central PTA will be hostesses at this meeting.

C. of C. ENDORSES LEGION BLOOD DONOR PROGRAM

Pledges of support and the naming of a Committee to assist in the American Legion sponsored Blood Donor Listing Project has been made by the Chamber of Commerce. The group wholeheartedly endorsed the project and named George F. Stevenson, chairman, Dr. B. L. Ramsey and E. J. Arceneaux as its committee in the project.

A special acknowledgement of the many Community Service Projects of the local Legion Post was made by the Chamber of Commerce. The Chamber of Commerce urged that every organization and individual join into this project of saving the lives of our citizens. It was pointed out that though the project originated with the Legionnaires it was, nonetheless, the responsibility of all to see that the project is a success.

The personal disasters which befall two local citizens on the same day recently prompted the Legion to sponsor the blood donor listing. The lack of a ready supply of real blood came near being the cause of the death of both. Mayor Scalfide is in the VA Hospital in New Orleans. His condition is reported as "restless." If X-ray examination proves it, a favorable Mayord Scalfide hopes to be home by Armistice Day.

An operation was performed on Arthur Miller at the Memorial Hospital at Gulfport. His condition as reported is that he is "feeling comfortably" but by no means out of danger. The condition of either of these men can change for the worse. It is hoped that no more blood transfusions will be needed, but citizens are urged to be on the alert to answer calls if needed as blood donors.

Committees have been named by the American Legion, the Masonic organization, the Bay High PTA, the Rotary Club, the Knights of Columbus and the Chamber of Commerce. It is planned that all committees will meet to consider the financial aspects of the project and make other plans within the next few days. All organizations will have a voice in the operation of the project through their committees.

Every patriotic, civic and fraternal organization in Hancock County is invited to participate in the parade. Every school in the county has been invited to furnish marchers in this Armistice Day parade. Scout units and farm Youth units have been invited to participate. Cooperation by county, city and private school officials has been pledged to help make this the biggest and best patriotic parade ever attempted in Hancock County.

At least two bands and several loudspeakers will furnish music and color to the parade. The American Legion Color Bearers and Guards and the Legion Auxiliary will take part.

The city siren will blow off one full minute. When the siren ceases at 11:00 a. m. it has been requested that every person pause to observe a one-minute tribute of silence and prayer for those heroes who did not return to enjoy the Great American Heritage for which they died.

HARVEST BALL IS HAILED AS HUGE SUCCESS

The Harvest Ball, jointly sponsored each year by the Clement R. Bontemps Post 139 and the Legion Auxiliary, was held Saturday Night. The ball was well attended and lasted until 3:30 a. m. Marymarians and their cars crowded both floors of the Legion home.

Highlight of the ball was the presentation of the court. The selection of Mrs. Lucian W. Kidd as Queen of the ball was well received by the throng attending. As pointed out by Mrs. Claiborne J. Ladner, president of the auxiliary, "Mrs. Kidd, who was born and raised in England, has proved her Americanism and love of the community by her own many activities in Legion Auxiliary and civic affairs. Mrs. Kidd's charm and regal appearance makes her selection as Queen quite fitting."

Mothers attending the Queen were Mrs. Joe Colquhoun, Mrs. Russell Elliott, Mrs. Leroy Ladd and Mrs. John Rutherford Jr. King of the Ball was Morgan G. Atwood. Dukes attending the King were Bert Estep, Harold Knutsky, Claiborne Ladner and Curtis Ladner. The Regal crown was presented to the new queen by last year's queen, Mrs. W. D. Bourgeois, and the new king was crowned by last year's king, Curtis Ladner.

A special scepter was presented to the queen on behalf of the Legionnaires by John D. Rutherford, Commander of the Seventeenth District. The "special scepter" was a rolling pin with appropriate inscriptions. A special decorative effect on the Autumn theme proved that the women had spent much time and effort in their work. A continuous buffet supper was supplied by Auxiliary members. Contributions by them filled two rows of tables extending across the building. The ball was the most successful ever held by the local group. Proceeds will be used to furnish Christmas gifts to veterans in VA Hospitals at Gulfport, Biloxi and Jackson.

John C. Stennis, Junior United States Senator from Mississippi and member of the Armed Services Commission, will be in Bay St. Louis Friday, Oct. 30, at the Reed Hotel, where he will give an informal talk at a luncheon on his findings during his recent tour of Europe.

During his tour Sen. Stennis made a comprehensive study of conditions in Europe and his talk will include a brief resume of those findings. He will welcome any questions that he may be asked of him on conditions as he found them.

The luncheon is open to the public at \$1.50 a plate, and will be served at 12 o'clock noon. Reservations should be made in advance by calling the hotel.

BIGGER AND BETTER CITY HALLOWEEN PARTY THIS YEAR

The second annual Halloween Party, sponsored by the Bay Lions Club, will start Saturday night at 6:30 PM at Bay High School, when all of the city's Ghosts, Goblins, Spooks and other representatives of the Halloween Eve will parade to the City Hall Grounds for the big party, free for all.

Preceding the parade will be the Bay High School Band, and the spooks will go down Carroll Ave to the Beach, down the Beach to Main St., and down Main to 2nd and thence to City Hall grounds. Lion Warren Carver, chairman of the committee, has announced that the main entertainment feature of the party will be the presentation of "Golden Lady," the Wonder Horse, owned by William "Bill" Lizana. This nationally famous horse will be put through her extensive acts by Mr. Lizana, who is so generously donating this exhibition for the boys and girls of Bay St. Louis. The headliner will begin, about 7:45 p. m., soon after the parade reaches the City Hall.

Many contests will be held, with prizes and cash for the winners. Costume judging will be conducted to determine the Best Dressed Witch, the Spookiest, the Most Horrible, the best Ghost, the best Pirate, the best costume on children under 12, the best costume for young people 12 to 25, the best dressed and youngest child, the best adult over 25, and the overall winner, one from the boys and one from the girls from all ages.

The Lions plan to have soft drinks, coffee, hamburgers and hot dogs, all at cost price, so that all can enjoy the city-wide party. The annual Halloween party is being held for children of all ages, and last year city merchants thanked the Lions Club for doing so much to keep vandalism and small damage from being done to stores and homes.

Plans also are being made by the Lions for a Christmas Party for the city's colored children.

He was an organizer and member of the Park Association and War Memorial Association of Pass Christian. He served as Secretary of the Pass Christian School Board of Trustees, and was a member of the Board of Trustees of Perkins Junior College. He was a past president of the Pass Christian Rotary Club and a member of the Governing Board of the Pass Yacht Club and served as director and Vice President of the Trinity Church Vestry in Pass Christian.

He took an active interest in many of the civic affairs of Bay St. Louis and belonged to the Little Theatre here. Son of the late W. D. Robinson, he is survived by his mother, Mrs. Estelle Vaughan Robinson; his wife, Mrs. Katherine Saucier Robinson; two children, Dayton L. Robinson and Nancy Robinson; one brother, Col. Dayton L. Stanislaus celebrated its Homecoming Day here last Sunday. A large gathering of Alumni and parents of the boys were on hand to take part in the day's activities. Mass was celebrated in the college chapel by Rev. Sherman Cobb, O.S.B., at 10:30 a. m. Father Cobb is a member of the Benedictines located at St. Joseph Abbey, Covington, La. After the Mass, the Alumni met in the Senior study hall, with Mr. Bertram S. Wilbert, Class 1923, presiding. Welcome address was given by Rev. Father Roland, S.C., President of Stanislaus. Brother Edmund, S.C., secretary of the Alumni Association, gave a report on the Brother Paul Memorial Scholarship Fund, and Walter J. Gex Jr., Class of 1924, and General Chairman of the Stanislaus Committee of the Centennial Building Fund gave a report on the projects made and the amount of money received to date. He said that every where he and Brother Ashton, S.C., Executive secretary of the Building Fund have traveled through Mississippi, Louisiana and parts of Texas, they have received plenty of encouragement in the way of pledges and good will. In the afternoon, the Golden High School of Reserve, La., met the Stanislaus Wildcats at 2:30. When the sun had started to set over the gridiron, the Reserve Wildcats had scored two touchdowns and kicked two extra points to outscore the Stanislaus in what was one of the best games played by the Rocks this year.

Gerald Clement was the lone scorer for the Stanislaus. Late in the first period he got away through tackle for a sixty yard sprint. Boudreaux kicked the extra point from placement. After an exchange of punts the Stanislaus got the ball on their own 10, advanced the ball to the 25 on three plays, and again Gerald Clement went around and for a 75 yard run that ended the scoring for the day.

Stanislaus threatened a second time or three times for the second half but just as the offensive got going, the Rocks developed a lack of power and were forced to punt. On the defense the whole team played a bang-up game. Time and again the Stanislaus were thrown for losses behind their own lines. Twice intercepted passes, by Jimmy Grace and Walter Gex, stopped the Stanislaus deep in Stanislaus territory.

Officers elected by the Alumni for the year were: President, Walter J. Gex, Jr.; Marion J. Green, 1st Vice President; J. D. Abadie, 2nd Vice President; Brother Edmund, Secretary; Treasurer; Joe Scalfide and George Seuzeneau of Bay St. Louis, members of the Executive committee with Mr. Michael M. Irwin of New Orleans.

Honored on Birthday

Elizabeth Ann Martin, four-year-old daughter of Mr. and Mrs. J. C. Martin, was honored by her parents on Saturday afternoon when about twenty of her little friends were invited to join her at a birthday party at the home of her aunt, Miss Clara Kergan.

Mrs. Martin had chosen as the colors for the party shades of lavender. From the lovely dress of her little daughter, which was in two tones of lavender and was worn with four baby orchids in her hair, a gift from her father, one for each year, the flowers, the candles and ice cream and cakes all carried the same shaded lavender colors.

The dining room table was one of the loveliest children's tables ever done in Bay St. Louis. A doll a near replica of Elizabeth Ann, formed the birthday cake, set on a satin board and topped with four large tapers decorated and of the table, each little guest had an individual place setting with a miniature cake doll with the name of the guest written on it. Lavender wrapped candles in baskets were placed on the plates, which were decorated with hand painted sprays of lavender flowers. The ice cream was a real delight, again dolls dressed in lavender gowns made this tempting child-hood treat more delectable. Punch also was served, and balloons with Happy Birthday printed on them given each little guest. Elizabeth's Daddy won the hearts of all the children, as he led them around on ponies, especially brought in for the occasion.

Attending were Elizabeth Phillips, Nina and Rhonda Roland, Faby Ann Gibson, Susan Ryan, Sally and Sue Porter, Hope Sewell, Maureen and Kathy Quigley, Erin Heitzmann, Dale Russell, Becky Adams, Dana Sallier, Valda Pittman, Sharon Griffin, Patsy Elliott, Kay Heron, of Gulfport and Jim Martin, brother of Elizabeth Ann.
